

Space savings

Access gates

Plastic Folding Bin

CEVAbin

Ideal for automotive and general products

- > Light weight standard Australian footprint design
- > 3:1 fold down ratio for transport and space cost savings
- > Self-locking sides for one person quick assembly and fold down
- > OH&S friendly with front and rear panel drop down gates for ease of access
- > Robust design with inner smooth, flat surface wall panels for superior product protection
- > Recessed base racking locator for safe and stable racking storage
- > Made from UV stabilised, 100% re-cyclable polypropylene material
- > Simple to clean non-vented panels that are impervious to moisture
- > Optional lid can be separately provided
- > Suitable for temperatures of -20°C to +40°C
- > Anti friction pads on base to minimise slippage
- > No capital outlay and environmentally responsible with no disposal costs
- > Highly efficient, flexible rental system - hired and de-hired via our depot network
