Split lid design

# M3 Liquid IBC

## The Optimum Food Container

- > Features a patented split lid design that slides back and locks into place eliminating the need to manually remove the lid, providing a one piece IBC
- > Graduated sight glass gives a clear view of the level and quality of your product
- > Great alternative to 205 lt drums delivering 25% saving in storage and handling
- > A plug-in Heater Baseboard is available for improved discharge of viscous and difficult to handle products
- > ISO container compatible, 4 way entry pallet
- > OH&S friendly, for one person handling, with half fold front drop gate for easy access
- > Made from food grade, recyclable HDPE panels with galvanised steel frame
- > Lockable, tamper evident lid, panels and low discharge outlet for superior product security
- > Ideal for: fats & oils, glucose, liquid sugar, syrups, dairy, malt extracts, mayonnaise, wine, pharmaceutical and other food ingredients
- > No capital outlay, minimises packaging waste and disposal costs
- > Highly efficient, flexible rental system – hired and de-hired via our depot network
